It Cures by Inhalation.

It is the greatest thing ever invented to cure Catarrh, Hay Fever, Asthma, Colds, Pains and Roaring in the Head, Bronchitis, Headache, Partial Deafness and all diseases of the air passages of the Head, Throat and Lungs.

Dr. Worst's New Scientific Catarrh Inhaler

is sent to all countries of the world on trial free. It is the only Inhaler ever invented that can be sent out to the people in this way, and receive more dollars in return than Inhalers sent out.

It is Nature's Own Remedy

and treats these diseases scientifically by medicating the air we breathe, penetrating the air cells of the head, throat and lungs, striking at the root of the diseases by destroying the germs that produce them. Experience teaches me not to hesitate to send out my Inhalers on trial free, for the people both know and appreciate a good thing when they can get it, and I have nothing to fear. Many thousands of my patrons are appealing to their friends in the strongest terms that there is one cure that cures, for they have tried it. They give their testimony in the short speeches that follow.

DR. E. J. WORST, Ashland, Ohio.

DEAR SIR:—More than a year ago I bought one dozen Inhalers of you. I take pleasure in saying to you that in every case where I sold the Inhalers, they have done great service to the afflicted, so I will order more.

J. E. EDWARDS,
Water Valley, Ky.

DR. E. J. WORST, Ashland, Ohio.

DEAR SIR:—I have received your Catarrh Inhaler, and find it an excellent thing for catarrh and nervous headache, and can cheerfully recommend it. It is, in fact, the best inhaler I ever saw.

Yours truly, Rev. C. H. HODGER,
Coalport, Pa.

E. J. WORST, Ashland, Ohio.

I inclose \$1.00 for the Inhaler. Sickness prevented me from sending it at the end of the three days trial. The Inhaler is doing me much good, and I would not take \$20.00 for it if I could not get another.

Yours truly, WM CHAPPLE,
Vandalia, Mich.

E. J. WORST, Ashland, Ohio.

DEAR SIR:—I received the Catarrh Inhaler just five days ago and must say I am perfectly satisfied with it, and would not take \$10.00 for it.

I remain, O. J. MORRIS,
Trinity, Newfoundland.

DR. WORST, Ashland, Ohio.

I have been using your Catarrh Inhaler which I consider a little wonder. I have had catarrh for 7 years, and have taken so many remedies that I have become discouraged. I am almost deaf, but your Inhaler is restoring my hearing and stopping the discharges. I would not take \$25.00 for the inhaler.

Respectively yours, H. V. HAWKINS,
Algona, Iowa.

DR. WORST.

Please forward me one of your scientific Catarrh Inhalers as per advertisement in Sunny South, and oblige.

R. H. BOYD,
Manganui, New Zealand.

DR. E. J. WORST, Ashland, Ohio.

Yours truly, Z. ANNIS,

DR. E. J. WORST, Ashland, Ohio.

I have received and tested the Inhaler. I am happy to say, the longer I use it the more I esteem and consider it the most effectual treatment I have ever used for catarrh and lung affections. It has relieved a constant cough I have had for eight years.

PROF. E. S. NASON,
6027 Main St.,
Germantown, Phila.

DR. E. J. WORST, Ashland, Ohio.

DEAR SIR:—I promised to report to you in regard to the Catarrh Inhaler I got of you. I have used it 19 days, and I know it has done me more good than all the other remedies I ever used. I have been troubled with catarrh since 1862. The Inhaler has stopped the noises in my head and helped my hearing. I am well pleased with it, and would not take \$20.00 for it if I could not get another.

FRANK SIKES,
Monte Vista, Colorado.

DR. E. J. WORST, Ashland, Ohio.

Enclosed find \$1.00 for the Inhaler. I am beginning to sound its praise here. I am afflicted with partial deafness, and since using the Inhaler two weeks, I can now hear the clock tick upon the mantle, something I have not been able to do for many years.

SAMUEL M. GUSS,
